Good Morning Nancy,

Just touching base to see if you've been able to obtain info regarding the question below AND I forgot to let you know that I send Geary with Van Diest, the slideshows he was inquiring about so you can scratch them off your list!

Thank you!

Subject: Question

Hi Nancy,

This one comes from Hurdsfield Grain; they wonder if you can tell them which group their 250gal Poly tanks with heavy aluminum cage and DOT/UN# 31HA1 would fit into? OR, if you can tell me where to find that info then I'll hunt it down for them instead and send it along.

Thank you and have a great weekend!
